# INTRODUCING THE 2017 VALENTINE'S DAY, SPRING & EVERYDAY DESIGN RESOURCE GUIDE

**Spring is in the air**, and not a moment too soon! Our expanded Valentine's Day, Spring & Everyday Fruit Bouquets collections are designed to delight one and all... and as always each sweet, unique treat is meant to be shared with friends and loved ones on special occasions!

## Valentine's Day

**Fill Their Hearts With... Chocolate!** Two new products will feature a whimsical sweetheart red melamine container with chalkboard white hearts: *Sweet on You™* is a selection of scrumptious chocolate berries with pineapple hearts dipped in chocolate; and *Berry Cute™*, which includes delicious dipped pineapple hearts and daisies.

**Mugable™ Is Back!** In conjunction with celebrated artist Sandra Magsamen, our truly original, bestselling *Mugable™ Bunch of Berries* features the heartfelt sentiment, "If a kiss was a flower, I'd give you a bunch." Customers will delight in the keepsake value of our food safe mug that can be used over and over again after they've enjoyed the fresh fruit treat!

**Love Is in the Air!** Customer favorite *Sweet Love Story™* says it all. Indeed, every love story should start with something this sweet! A fresh mix of plump strawberries, mouthwatering melon, juicy grapes and more surround dipped and decorated pineapples carved to spell out L-O-V-E!

## St. Patrick's Day

**Erin Will Brag(h) About This!** Customers will want to wish their friends and family the *Best O'Luck™* with our yummy oversized chocolate covered pineapple shamrocks surrounded by a fresh mix of fruit for St. Patty's Day!

## Easter

**Hoppy Easter!** We're so hoppy to introduce our deliciously adorable *Sweet Bunny™*. Sculpted out of chocolate dipped apples and surrounded by chocolate covered "Easter egg" strawberries, our bunny is a sweet treat to enjoy with friends and family.

*Easter "Egg"citement™* has a new twist: our colorful pastel swirl container.

*Abundant Easter Blessing™* is designed with chocolate bunnies and pineapple daisies, plus chocolate covered strawberries coated with yummy pastel chocolate drizzle. These unique Easter Eggs will be easy to find... and enjoy!

## Everyday

We've expanded our **Truly Original** line to include some very delectable debuts!

**Easy as 1-2-3 Dimensions!** Our new *Time for Cake!™* is a delightfully healthy 3D cake created with fresh strawberries, grapes, and pineapple stars topped off with fruit-shaped birthday candles. A wonderful gift for any special birthday celebration!

*Tasty Teddy Bear™* is our adorable bear sculpted from apples and covered in chocolate. Decked out in a bowtie, he arrives ready to party!

**Trophy Me!** There's no end of reasons to recognize the achievements of others, and our new trophy products—*Sweetest Victory™* and *Celebrating You™*—make celebrating an accomplishment or milestone sweet! *Birthday Sur-PRIZE™* will let someone know that, whatever their age, they're always #1!

**Our Happiness Cannot Be Contained!** Our enthusiasm overflows for our new containers: a bright, multicolored, diagonal-striped "pastel swirl" container—featured in *Smileberry Surprise™* and *Make Their Day Bouquet™*—and a seriously festive container with a "Happy Birthday" message in multicolored background stars and more, featured to great effect in *Sweet Celebration™*, *Sweet Birthday Treat™* and *Birthday Bonanza™*!

We hope you're as excited as we are about the unique new introductions to our line. Your support is inspiring, and we thank you for your partnership and dedication to delivering smiles!

**“Fruit is nature's candy.”**

# HOW TO CREATE: TASTY TEDDY BEAR™ AND SWEET BUNNY™

## STEP 1:

Remove stems from apples. Stack 2 apples one on top of the other. If 1 is larger than the other use the larger one on the bottom.

## STEP 2:

Turn apples upside down and skewer from the bottom using 3 skewers placed on a slight angle. Cut skewers down about 3 inches.

## STEP 2A:

You can prep paws, ears and face, belly or bowtie at this time as well.

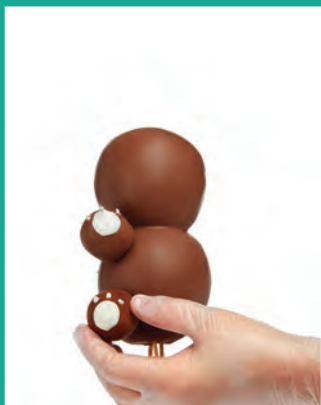

## STEP 3:

Dip the apples into melted milk chocolate.

## STEP 4:

Using a piping bag or skewer, put some melted chocolate on the bear or bunny's paws, belly and face 1 at a time and hold in place for a few seconds until the chocolate sets.

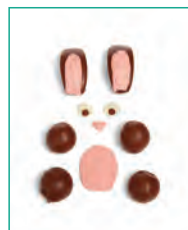

## STEP 5:

For the ears you will need to use a cut skewer approx 2-3 inches to hold the ears on. Cut Skewer down and insert into head. Then gently push bear or bunny ear onto the skewer.

## STEP 6:

You can now add your bear/ bunny to the center of the arrangement. Push gently into the lettuce and kale base.

## DESIGN TIP:

For both Tasty Teddy and Sweet Bunny, you can prepare the eyes, nose, mouth and belly ahead of time, and use a dab of chocolate to adhere the pieces to the body and face.

## SWEET BUNNY:

**For Sweet Bunny:** The same steps will follow as the bear but you will use apple wedges and pink chocolate for the belly. Design tip: add the whiskers directly to the face using a piping bag. Please see images for Sweet Bunny above.

# HOW TO CREATE: FRUIT CAKE

**STEP 1:**

Cut about 1/4 of a head of lettuce and place into bottom of green tray. Cover with green kale.

**STEP 2:**

Place 1 whole lettuce head on top.

**STEP 3:**

Using 3 skewers, insert them into the lettuce on an angle to secure lettuce to base.

**STEP 4:**

Cut down the round sides of the lettuce to create a cylinder shape.

**STEP 5:**

Final cylinder shape.

**STEP 6:**

Place green kale around the lettuce using the pineapple stars to hold it in place.

**STEP 7:**

Add green kale to the top of the cake and continue to insert skewered fruit.

**STEP 8:**

Continue to insert fruit to create the cake shape. Stars around the sides, strawberries around the bottom and honeydew around the top rim. You can then fill in the remainder of the cake with the grapes and other fruit.

**DESIGN TIP:**

For the flames on the candles, Use the pineapple pieces left from the stars to cut out and oval shape.

## HOW TO CREATE: STRAWBERRIES USING SANDING SUGAR

### STEP 1:

Dip strawberry in chocolate. Let chocolate set before moving onto next step.

### STEP 3:

Before the white chocolate drizzle sets, sprinkle sifting sugar over entire strawberry. Once chocolate sets, brush off excess sifting sugar.

### STEP 2:

After the chocolate sets on the dipped strawberry, using white chocolate, drizzle chocolate across the strawberry.

## HOW TO CREATE: RED CRAZY BANDS BOWL PRODUCTS

### STEP 1:

For products using the red crazy bands bowl, take 3 heads of lettuce, place 2 at the bottom and 1 on top.

### STEP 2:

To secure, insert 2 skewers on an angle (as shown), from top to bottom.

# HOW TO CREATE: SPORTS STRAWBERRIES

Note: These steps are specifically for the Baseball strawberries. Please use the same technique for Football and Basketball strawberries.

## STEP 1:

Dip strawberry in white chocolate. Let chocolate set before moving onto next step.

## STEP 2:

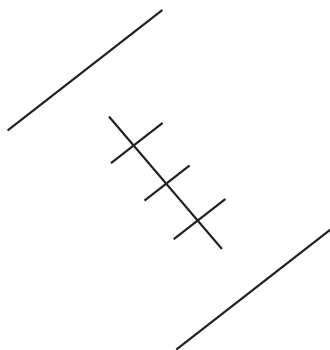

Using red chocolate in a piping bag (or CK products Candy Writer pens) make 2 curved lines on either side of the strawberry. (It is not necessary to let chocolate set before moving onto next step but may make it easier.)

## STEP 3:

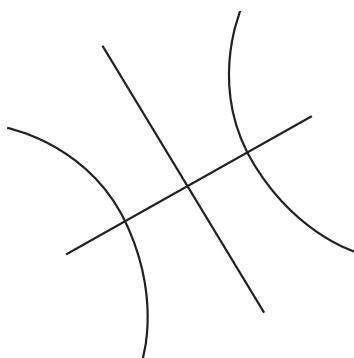

Lastly, add "stitching" over your 2 curved lines.
