

DESIGN RESOURCE GUIDE SUPPLEMENT VALENTINE'S DAY 2023 REDUCED RECIPES AND INCREASED RETAILS!

As we continue to address rising costs and florist profitability on 1-800-Flowers.com® orders, we have streamlined additional recipes and increased retails on select Seasonal and Everyday products, as shown in this Design Resource Guide Supplement.

Again, our commitment to working side-by-side with BloomNet® Professional Florists has never been greater and our goal is to continue to increase the value of our orders while at the same time remaining competitive and ensuring that we can continue to drive orders to your shop.

Please note that for some products, the price shown in this supplement will be transmitted to your shop even though 1-800-Flowers.com® will normally charge the customer a lower retail amount. This is another example of our commitment to support BloomNet Professional Florists through better order values, while at the same time providing our customers with an optimal experience.

Please be sure to communicate these changes to your staff, as they will become effective on new orders starting on the dates indicated below.

Also, we recommend that you print a copy of this Design Resource Guide Supplement and use it to replace any prior versions of these recipes. If you have any questions, please feel free to contact BloomNet Customer Service at 1-800-BloomNet (1-800-256-6663), customerservice@bloomnet.net, or start a Chat at www.bloomnet.net.

Thank you!

V
