

DESIGN RESOURCE GUIDE SUPPLEMENT SUMMER 2023 REDUCED RECIPES AND INCREASED RETAILS!

Our commitment to working side-by-side with BloomNet® Professional Florists has never been greater and our goal is to continue to increase the value of 1-800-Flowers.com® orders while at the same time remaining competitive in the current economic environment and ensuring that we can continue to maximize consumer demand and drive orders to your shop.

Over the past several seasons, 1-800-Flowers.com® has published multiple Design Resource Guide Supplements in an effort to address rising costs and florist profitability on orders. As the Summer season approaches we are once again streamlining additional recipes and increasing retails on select Seasonal and Everyday products, as shown in this Design Resource Guide Supplement.

To attract and drive order volume to your shop, as part of our aggressive marketing and customer acquisition strategy, on select products the price shown in this supplement will be transmitted to your shop even though 1-800-Flowers.com® may charge the customer a lower retail amount. This is another example of our commitment to support BloomNet Professional Florists through better order values, while at the same time providing our customers with an optimal experience.

Please be sure to communicate these changes to your staff, as they will become effective on new orders starting on the dates indicated below. Also, we recommend that you print a copy of this Design Resource Guide Supplement and use it to replace any prior versions of these recipes. If you have any questions, please feel free to contact BloomNet Customer Service at 1-800-BloomNet (1-800-256-6663), customerservice@bloomnet.net, or start a Chat at www.bloomnet.net.

Thank you!
