Fall, Holiday & Everyday Design Resource Guide 2024

Introducing our Fall, Holiday & Everyday Design Resource Guide 2024

WE PROUDLY PRESENT OUR CELEBRATED FALL, HOLIDAY, AND EVERYDAY 2024 COLLECTION!

Our product development team has combined their creative efforts with design inspiration from our talented BloomNet® florists to create festive floral arrangements: a perfect collaboration of experience and originality creating an extraordinary collection for Fall, Holiday, and Everyday occasions.

"Our exclusive Disney collection combines Disney enchantment with our passion for sharing meaningful gifts."

The excitement and joy of gifting a genuine Disney branded product to friends and family allows our customers to share the wonderful memories and connect with the characters we all adore... Mickey Mouse, Minnie Mouse and all their fabulous friends.

We're happy to bring back our *Disney Mickey and Friends Holiday Cookie Jar*. It's filled with an updated recipe of festive flowers inside a collectible cookie jar. In addition, we continue to offer our Disney best sellers for everyday occasions for same day delivery!

"The wonder of Disney in every gift"

At 1800Flowers, we sell the promise of happiness and joy by providing exceptional gifting opportunities designed for all of life's special moments. This unique collaboration is a compelling opportunity to deliver Disney wonder from consumer to recipient as only Disney and 1800Flowers can. Please join us in celebrating another exciting season of exclusive Disney gifts available ONLY at 1800Flowers.

New & Original

We have a truly exceptional selection of offerings to welcome autumn in style. *Fall Devotion™ Bouquet* is a sensational gathering that brings beautiful fall colors to any space. *Autumn Amazement™ Bouquet* delights with its loosely gathered, garden-style design and soft shades. *Expressions of Fall™ Bouquet* is a trendy design with rich purple tones. *Harvest Blossom™ Bouquet* features a crescent design and showcases Thistle Blue, one of our unique varieties. And *Honey Bee Buzz™ for Fall* will get everyone buzzing with its cheerful colorways in our Sweet As Can Bee vase.

Revised & Refreshed

For the fall season, our elegant *Autumn White Pumpkin™* has been updated with a refreshed floral recipe, again in our white crackle pumpkin for modern elegance. And Halloween wouldn't be complete without our *Purrfect Potions Fabulous Feline™* and popular *Witchy Pooch™*, both in a new pet bed basket.

Back by Popular Demand!

Some of our favorites are here to fill the season with signature color and beauty. This includes our best-selling *Fields of Europe® for Fall* and *Garden of Grandeur® for Fall*. *Harvest Charm™ Bouquet* continues to live up to its name with a combination of radiant blooms. For spooky season, our *Halloween Delight™ Bouquet* returns with its bewitching blooms, joined by our hauntingly unique *BOO for You!™*

New & Original

Welcome holiday joy! Our latest floral creations are the best way to spread cheer this season. Introducing *Jolly Santa Cake™*, a jolly 3D Santa face crafted from lasting blooms for plenty of whimsy. And if you're looking for classic Christmas, we have some wonderful new arrangements in the signature colors of the season, including *Abundant Christmas Blessings™* and *Dazzling Christmas™*. For some all-out elegance and style, we offer our *Christmas Magic™ Bouquet*, *Lavish Christmas Centerpiece™* and *Crimson Christmas Tree*. And finally, our popular favorite, *Fields of Europe® Christmas* comes with a new "Merry Christmas" banner bringing a festive touch to every celebration.

Our Holiday Flower Tree Mantel is a whimsical new hardgood designed to look like a fireplace, all ready for Santa's arrival, complete with stockings, garland and a merry red bow. It's featured with our *Holiday Flower Tree® Merry Mantel* and *The Stockings were Hung Mantel™ Arrangement*.

Revised & Refreshed

Everyone's favorite holiday pup, *Santa Paws®*, is back to deliver cheer, now in our rustic cube. Also returning is our *Disney Mickey and Friends Holiday Cookie Jar*. Part of our exclusive partnership, this year it's designed with an updated floral recipe.

New Core Products

We continue our new introductions to our core everyday line, along with updated products, to maintain an ever-changing assortment that will entice and delight our customers!

Introducing three new bouquets with a modern flair, all designed in our cylinder vase: *Contemporary Red Roses*, *Contemporary Hot Pink Roses*, *Contemporary White Roses* and *Ombre Roses*. We've also included a Sympathy version of the white rose arrangement above, for a peaceful gift of remembrance. Also new is *Lavender Embrace™*, a luxury design with soothing purple and white blooms.

New Sympathy

Introducing our new arrangements in sympathy. For the services, we have two colorful tributes to celebrate a beautiful life: *Sympathy Vibrant Standing Spray* and *Sympathy Vibrant Standing Basket*. For the services or home, we have *Comforting Thoughts™ Bouquet*, an all-white arrangement featuring specialty floral varieties, and our *Treasured Memories™ bouquet in All White*, *Lavender and White* and *Blue and White Vase*, each gathered in our new Modern White Vase, which is tapered with a matte finish for a contemporary look that also has a softness to it.

AN IMPORTANT NOTE TO OUR PARTNERS

Many of our vessels contain special applications and finishes that are water resistant and contain PVC liners, but they should NOT be fully immersed in or saturated with water. The only exception is our glass vessels and vases, which are waterproof (unless they're designed with unique embellishment or special application, in which case they should not be immersed in water).

Thank You!

We are delighted to present many wonderful new designs and gifting opportunities for the holiday season. Your support and dedication inspire us to create meaningful and truly original gifts to help increase profit potential, and traffic to your stores. As the sparkle and spirit of the holiday season begins, we thank you for your dedication to making every moment special.

"Believe in the Magic of the Season."

HOLIDAY TIPS FOR SUCCESS

Order Early and Stock Up on Featured Floral!

Preorder ample amounts of on-trend and featured floral varieties to be prepared well in advance for the fall and holiday season.

Invest for Success!

Plan for additional delivery drivers and staff members to handle increased order volume. Make sure all of your computers and delivery vehicles are in proper working condition prior to holiday. A portable water station is also a great way for several designers to fill arrangements and bouquets at once.

Staff Communication!

Schedule a shop staff meeting so that everyone is on the same page about peak procedure and best practices.

Organize a Space!

To maximize productivity, set up a functional assembly line so that designers have all resources easily accessible to them.

GET A HEAD START! MANY ARRANGEMENTS CAN BE PREPARED IN ADVANCE.

Build!

- Boxwood trees and centerpieces can be arranged prior to the holiday and stored in a cool location.
- Baskets can be pre-prepared with oasis and liner.
- Pre-pick ornaments, pinecones, and bows as part of the prepping process.

Green!

- Green vases and add flower food for high-volume products such as Fields of Europe®.

Hydrate!

- For any vases you green in advance, check daily to see if water needs to be added.
- Soak floral foam properly to avoid air pockets.

Accessorize!

- Accessories may be added to arrangements early to save valuable time during peak. If high-volume items have accessories, arrange them by each vase.
- Accessories such as bows and pinecones can be inserted into baskets ahead of time.

Handle Floral With Care!

- Before inserting winter greens into foam or into a vase arrangement, shave off the ends of the stems to remove the bark so the exposed stem can hydrate properly.

Keep Us in the Loop!

- Submit Inventory Updates (Bloominlink > Utilities > Forms) to let us know what you have in stock.
- Submit Delivery Notifications in Real Time on date of delivery and capture photo proof of delivery.

“On trend” floral varieties are captured in our selections and our introductory collection of *Simply Spectacular™* Bouquets!

We have selected noteworthy floral varieties to create “on trend” bouquets that radiate with charm and natural beauty...buoyant, elegant, and infinitely memorable.

Please peruse our catalog of varietal essentials renowned for their distinguished qualities and impressive presence in bouquets. Take note to add these exceptional varieties to your seasonal floral buys!

Protea

Protea is a striking flower with petal-like leaves forming a crown shape around a conical center. Available in shades of pink, white and red, this ancient beauty (it's one of the oldest flowering plants—dating back over 300 million years!) is a bold addition to arrangements.

Lisianthus

Lisianthus is a bell-shaped flower with flared petals that creates a soft and unique accent to any bouquet.

Blue Thistle

Blue Thistle are distinctive spiny snowflake-shaped blooms that meander through bouquets creating a lovely blue accent, adding charm to any bouquet or arrangement.

Mini Gerbera Daisies

Mini Gerbera Daisies are flawless blooms with almost limitless color availability. They are happy flowers that add a splash of color.

Astilbe

Astilbe is a delicate wildflower with fluffy, featherlike plumes in shades of white, pink, deep red, lavender or violet. Also known as “false goat’s beard,” its upright plumes add pleasing texture to bouquets.

Leucadendron

Leucadendron is an enchanting tropical bloom that offers an exotic edge while creating texture and unique burgundy color with an ultra-long-lasting vase life.

White Hydrangea

White Hydrangeas are pom pom-shaped flowers with abundant clusters of blossoms that add appealing depth and texture to any arrangement. These charming, romantic blooms love water, so don't forget to regularly refresh their vase.

Craspedia

Craspedia is a fun, exuberant flower with charming, globe-shaped blossoms that are perfect for accenting arrangements with their warm yellow hue.

Mini Calla Lilies

Mini Calla Lilies are sleek, trumpet-shaped flowers with a delicate and timeless beauty. Their gently flared petals lend elegance to bouquets.

Magnolia Leaves

Magnolia leaves are oval shaped, with a rich green color and contrasting brown underside. With their leathery texture and glossy shine, they're the perfect accent foliage for dramatic bouquets.

1-800-FLOWERS.COM® | SUBSTITUTION

By working together to Deliver Smiles, we can help meet our customers' expectations and bring more orders into your Shop!

1-800-FLOWERS.COM® provides its customers with a 100% Smile Guarantee. In order to consistently meet and exceed customer expectations, our Florists Relations Team closely monitors the fulfillment of 1-800-FLOWERS.COM orders to ensure that **1-800-FLOWERS.COM Quality and Performance Standards** are being consistently maintained. (See the BloomLink® Utilities Tab, "**1-800-FLOWERS Quality Performance Standards**" for complete details.)

Today's online consumers expect that their recipient will receive a gift that resembles the product that they ordered as advertised. To meet this expectation, BloomNet® Florists fulfilling 1-800-FLOWERS.COM orders are required to maintain adequate inventory of the floral varieties and containers for our featured arrangements, as detailed in the **1-800-FLOWERS.COM Design Resource Guide ("DRG")**.

If you do not have a recipe component needed to fulfill an order for a 1-800-FLOWERS.COM product, as specified in the DRG, you have two choices: (1) Substitute the required items following the guidelines set forth in this document; or (2) Timely Reject the order.

Should you decide to proceed with a Substitution, please ensure that the components are as similar as possible and always of equal value, and keep in mind that Substitutions may result in a Customer Service Issue (CSI) if the customer is not satisfied with the resemblance of the delivered product with the product that was ordered. If you do not have the appropriate item to make a Substitution, you may choose to Reject the order instead. In either case, please remember that both Customer Service Issues (CSI's) and Rejects are closely monitored as part of our 1-800-FLOWERS.COM Quality Assurance Program.

Please take a moment to review the **1-800-FLOWERS.COM Substitution Guidance** below and the suggested substitutions provided on individual recipes throughout the 1-800-FLOWERS.COM Design Resource Guide ("DRG"). *PLEASE NOTE, an electronic version of the most recent 1-800-FLOWERS.COM Design Resource Guide is located under the Utilities Tab on BloomLink.*

-  Maintain overall shape, size, and style of the arrangement.
-  Maintain shades and color combinations of the arrangement.
-  Utilize similar type flowers (e.g., spike for spike, round for round). Substitutions should be of equal value.
Prioritize variety over color in single variety arrangements.
-  Use containers listed in the Design Resource Guide, paying particular attention to style and color.
-  Never substitute Codified Products, unless you've received the express consent of 1-800-FLOWERS.COM.

To support the successful fulfillment of 1-800-FLOWERS.COM orders, please make sure to communicate to us any Substitutions made on an order by sending an **INFO message** with the details of the Substitution, and then immediately proceed with the delivery of the order. It is not necessary to send an Inquiry message and/or await a response regarding your Substitution prior to proceeding to deliver the order.

The details from your **INFO message** will assist the 1-800-FLOWERS.COM Customer Service Team in responding to any customer inquiries and hopefully avoid a Customer Service Issue (CSI).

Should you decide not to or are unable to make a Substitution on the order, please **Reject** the order in a timely basis and in accordance with the **BloomNet Timely Reply Program**. (See the BloomLink Utilities Tab "**BloomNet Timely Reply Program**" for complete details.)

As a helpful reminder, if your Shop is out of stock or unable to secure inventory for the floral varieties and containers needed to fulfill 1-800-FLOWERS.COM orders according to DRG recipes, you can opt to temporarily suspend your Shop from receiving 1-800-FLOWERS.COM orders until you are able to re-stock the necessary components to fulfill 1-800-FLOWERS.COM orders. (See the BloomLink Utilities Tab for instructions on **HOW-TO Self-Suspend BloomLink**.)

We're here to help! Should you have any questions, please contact BloomNet Customer Service at 1-800-BloomNet (1-800-256-6663), customerservice@bloomnet.net, or via chat at www.bloomnet.net.

Thank you for your dedication as a BloomNet Professional Florist.

QUALITY AND PERFORMANCE STANDARDS

1-800-Flowers.com® maintains stringent quality and performance standards in order to consistently meet and exceed customer expectations.

In order to receive orders from 1-800-Flowers.com®, it is critical that you familiarize yourself with the key performance metrics below. BloomNet® Members can find their individual Monthly Performance Reports under the “Utilities” tab on BloomLink®. Please familiarize yourself with this useful tool and review your performance metrics against the goals stated in that report on a monthly basis.

Below is a list of the key quality and performance metrics that 1-800-Flowers.com monitors for every fulfilling florist, along with helpful tips for keeping these metrics in-line with expectations:

Number of orders with a reported **Customer Service Inquiry (CSI): less than 1.5%**

There are three specific categories of CSIs monitored:

- 1) *Delivery Issues*, which occur when a customer states that their delivery was not received or was not received on time;
- 2) *Wrong Deliveries*, which occur when a customer states that they received the wrong gift, that their gift is missing one or more components, or that their gift does not resemble what they ordered; and
- 3) *Quality Issues*, which occur when a customer states that the quality (freshness, durability, and/or appearance) of the gift did not meet their expectations.

Real-Time Delivery Confirmations and Delivery Attempt Notifications: 100% on the date of delivery

Today's consumer expects real-time visibility into the status of their order. It is no longer enough to submit Delivery Notifications at the end of a driver's trip because consumers expect to know about their delivery as soon as it is completed or attempted. When you provide us with accurate and timely Delivery Confirmations (DLCs) and/or Delivery Attempt Notifications (DLAs) immediately following the delivery of an order, we are better able to inform a customer about the status of their order. This helps us better manage customer expectations and provide a superior, well-informed level of customer service. As a result, the electronic submission of a delivery notification in real-time often results in reduced CSIs.

It is also important that you do not submit Delivery Notifications prior to completing or attempting to complete a delivery. Delivery notifications trigger an immediate communication from 1-800-Flowers.com to the customer. Therefore, if you submit a false or premature Delivery Notification, you may risk causing confusion for the customer and prompting them to call with a CSI. Note: The purposeful submission of a false or premature Delivery Notification can be grounds for immediate and permanent suspension from receiving 1-800-Flowers.com orders.

Visit the Utilities Section on BloomLink to learn more about the various tools available to your shop to support the submission of Delivery Notifications in real-time and please refer to the document 1-800-FLOWERS.COM Delivery Expectations for additional information.

Number of **Rejected orders: less than 2%**

1-800-Flowers.com expects that fulfilling florists will have adequate stock of the floral and non-floral components required to fulfill its orders to recipe, and that florists service all zip codes in their delivery profile until each day's cutoff time (or up until the florist self-suspends for the day). At the same time, 1-800-Flowers.com recognizes that order rejections are sometimes unavoidable under extenuating circumstances. To help ensure that order rejections do not result in a CSI, if you must reject an order please make sure that you do so in a timely manner so that 1-800-Flowers.com is able to react and place the order with another fulfilling florist before it is too late, and hopefully prevent a CSI from happening and affecting your shop's performance results.

Number of **orders accepted without a Price Change: 100%**

1-800-Flowers.com expects that fulfilling florists will fill every order to value, according to the product description, price and recipe without requiring a Price Change. 1-800-Flowers.com's minimum order is \$24.99; however, average order value is between \$64 and \$68 and all prices include an allowance for delivery.

To help prevent service issues, please be sure to keep 1-800-Flowers.com informed of any problems with the fulfillment of an order by sending INFO Messages on the order via your BloomLink system. Any and all information you provide on a specific order will allow us to better service the customer and should help reduce the amount of performance issues that are recorded against your shop.

If you have any questions regarding Quality and Performance Standards, please do not hesitate to contact your Florist Relations Specialist at 1-866-256-6663.

Note: 1-800-Flowers.com® Quality and Performance Standards are subject to change. Visit the Utilities Section on BloomLink® for the most up to date version of the 1-800-Flowers.com Quality and Performance Standards.

At 1-800-FLOWERS.COM®, we're obsessed with providing a terrific customer experience. We take pride in reassuring our customers that their flowers will arrive in pristine condition, perfectly arranged by expert florists.

We are committed to working with you and your staff to help our mutual customers express and connect with their loved ones near and far.

Today's consumers have higher expectations than ever before when they place an order for delivery. They expect that their flowers will be delivered on time and that they will be informed about the status of their order in a timely manner. As always, our goal is to meet and exceed evolving consumer expectations and support our 100% Smile Guarantee.

To that end, and to assist BloomNet® Professional Florists in fulfilling consumer expectations, the following sections outline Delivery Expectations from florists for the fulfillment of all 1-800-FLOWERS.COM orders.

Product Care

All 1-800-FLOWERS.COM orders must be handled carefully at every stage of fulfillment, including delivery.

To ensure that the quality and shelf life of the arrangements are not compromised, arrangements should always be safely stored and transported in an appropriate temperature-controlled environment and kept protected from adverse weather elements.

Delivery Experience

1-800-FLOWERS.COM orders must always be delivered in clean and clearly identifiable delivery vehicles. Delivery drivers must exhibit professional, courteous behavior and presentation when delivering 1-800-FLOWERS.COM orders.

Real-Time Delivery Notifications

Delivery Notifications must be submitted in real-time, immediately following the successful or attempted delivery of all 1-800-FLOWERS.COM orders.

Today's consumer expects real-time visibility into the status of their order. It is no longer enough to submit Delivery Confirmations (DLCs) and Delivery Attempt Notifications (DLAs) at the end of a driver's trip.

Submitting accurate and timely Delivery Notifications often results in reduced Customer Service Issues (CSIs) which, in turn, often results in reduced order cancellations with the florist. Help us help you! Please be sure to provide as much detail as possible when submitting a Delivery Notification, such as who took possession of the delivery (e.g. intended recipient, front desk, receptionist, etc.)

BloomNet® offers a variety of innovative technology tools to make it quick and easy to submit Delivery Notifications in real-time, including BloomNet's Enhanced Delivery Program. Please visit <http://www.bloomnet.net/technology> and the Utilities Section on BloomLink® to learn more about these tools.

In exceptional cases, when a Delivery Notification cannot be submitted in real-time, the following minimum thresholds must be adhered to:

- 100% of Residential deliveries without a specified Delivery Time Window must be electronically confirmed no later than 7:00 pm on the date of delivery.
- 100% of Business and Non-Residential deliveries without a specified Delivery Time Window must be electronically confirmed no later than 5:00 pm on the date of delivery.
- 100% of all deliveries with a specified Delivery Time Window must be delivered within the start and end time of the specified Delivery Time Window and electronically confirmed no later than 1 hour after the end of the specified Delivery Time Window on the date of delivery.
- 100% of Funeral Service deliveries must be electronically confirmed no later than 1 hour after the time of service.

Important Reminder: Do not submit Delivery Notifications prior to completing or attempting to complete a delivery. Delivery Notifications trigger an immediate communication from 1-800-FLOWERS.COM to the customer. Inaccurate or premature Delivery Notification often result in costly CSIs and order cancellations with the florist.

Timely and accurate Delivery Notifications are just one more way to improve quality and positively enhance a customer's experience. Plus, BloomNet Professional Florists receive a credit for all timely received Delivery Confirmations (please refer to the BloomNet Order Referral Program schedule for more information).

Proof of Delivery

BloomNet Professional Florists are expected to obtain Proof of Delivery on all 1-800-FLOWERS.COM orders.

Obtaining Proof of Delivery can safeguard florists from order cancellations when a customer claims that an order was not delivered. 1-800-FLOWERS.COM will rely on fulfilling florists for Proof of Delivery to help resolve order cancellation disputes, whether or not a DLC has been submitted on the order.

Proof of Delivery will be expected to be provided from the fulfilling florist to 1-800-FLOWERS.COM in response to a non-delivery complaint from a customer and/or an order cancellation dispute.

BloomNet Florists using the BloomNet Business Management System's FREE Local Delivery Management App are encouraged to proactively submit Proof of Delivery electronically on every order, thereby reducing the chances of an order cancellation dispute.

Proof of Delivery should be captured in the form of:

- A delivery signature from the recipient
- A delivery photo that captures the product and delivery location in the background

Collecting both forms of Proof of Delivery is preferable to collecting only one. However, please note that collecting delivery signatures is not feasible while "contactless deliveries" are in place and only delivery photos should be obtained under this circumstance.

Funeral Deliveries

As a fulfillment best practice, BloomNet Professional Florists should always contact the funeral home or house of worship to confirm an appropriate delivery time to accommodate the services. In addition, funeral arrangements should be delivered well before the start of the service to ensure that they are in place before the bereaved arrive.
