

DRG SUPPLEMENT PRODUCT UPDATES

Dear BloomNet Gourmet™ Member,

We are committed to working side-by-side with our community of **BloomNet Gourmet®** professionals that fulfill **Fruit Bouquets®** and **Shari's Berries®** products. Our goal is to continue to strengthen the value of Fruit Bouquets and Shari's Berries orders to your business, while at the same time remaining competitive in the current economic environment.

Over the last several weeks, the Fruit Bouquets® and Shari's Berries® team have diligently reviewed many every day and seasonal products resulting in recipe, price and/or payment changes for various products to increase payouts and reduce costs for our partners. To review the most up to date payouts, please refer to the latest **Pricing Guide**, which is accessible by visiting <http://www.fruitbouquets.com/pricing-guide>.

Please be sure to communicate the recipe and payout changes to your staff, as they will become effective on all new orders beginning on the dates indicated below. We recommend that you print a copy of this **Design Resource Guide Supplement** and use it to replace any prior versions of these recipes.

The referenced product changes will become effective starting July 24, 2024.

For your convenience, the supplement is accessible through **BloomLink®**.

Please log in and navigate to utilities, Design Resource Guide, and file name is as follow:
